Suddha,  
Attached is the address list Stevie sent us last week. Only Region 9 has a different address for Saturday shipments. NAREL is closed and does not accept shipments on Saturday.

Hi Stevie,  
If I recalled correctly, there are several labs which have different addresses when samples are scheduled for a Saturday delivery. Can you please send me the different addresses to be used when a Saturday delivery is scheduled? Additionally, please let us know if there are specific notification procedures for Sat delivery at any of the labs.  
Thanks,

Suddha Graves
